

The SimplyBind Experience

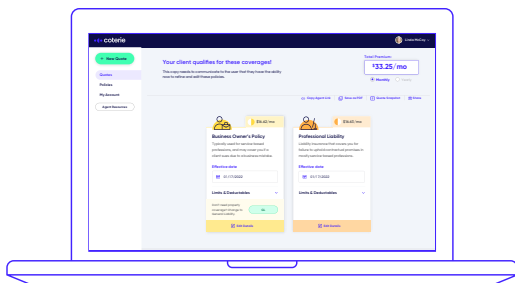

Provide the business name and address – Coterie does the rest!

Our underwriting engine takes the business name and address, pulls accurate information from a variety of publicly available data sources, then provides custom coverage recommendations. Imagine prospecting businesses in your community with accurate quotes upfront.

Instantly bind insurance policies with real-time underwriting.

"We tend to go to Coterie as our first option – we love selling Coterie."

– Angelo Ocampo, Agency Owner, Quick & EZ Insurance

Quote and sell 75% faster.

With our data at your fingertips, get back to building relationships and providing expertise. We'll take it from here.

It's that simple and takes just moments
