

We Love to Write

October Social Media Captions

Potential captions for October 'We Love to Write' Content

For: Agent/Agency social media:

Directions: Please read through these captions and make them your own. There is placeholder content in brackets and directions or prompts in italics that are NOT meant to be posted.

Video Directions: Use this post on Instagram, Facebook, Twitter, and LinkedIn.

If you use it on Instagram, you will post it as a Reel. Use the first second of the video as the cover image. You can see this portion of the video in the caption section of the post. You can also add a trending sound to the video directly within the Instagram app when you are in the edit section of posting the Reel.

Reminder: All these caption suggestions can not be used on Twitter, you need to shorten them to fit the character count on that platform.

This Spooky Season, don't let scary risks creep up on you! Stay protected and enjoy the season. #Spooktacular. We at [Agency Name] are not afraid of "scary risks" and want to protect your business! This month we are highlighting these amazing businesses:

- HandyMan
- Podiatrist
- Convenience Stores
- Dry Cleaners
- Electricians
- Medical Laboratories
- Pressure Washing
- Home Renovations
- Dentists
- Film and Video Productions

Now that is only 10 out of the hundreds of small businesses that we protect with Business Owners Policies, General Liability, and Professional Liability policies.

With [X] years in the industry, you can trust [agency name] with your business.

No need to pick up the phone to call us to see your quote. Start your quote today: _____ <---
- place you're My Digital Agency link here if posting on LinkedIn or Facebook. If you are posting on Instagram you can remove "Start your quote today:" and say ---> "You can simply click the link in our bio and click "My Digital Agency" to start your quote today.

If you like the coverage you see, you can submit it and a trusted advisor at our agency will get back to you ASAP to review your coverage.

2. Get Scream-worthy Coverage for Unseen Risks!
